FOR IMMEDIATE RELEASE

High school homecoming marks “four score” with a score board

Heading into its 80th year as an “old South” high school, South Collegiate will mark a first – a homecoming – on Saturday, October 13.

Much like similar Western events that bring back alumni of all generations, October 13 is a chance to reconnect with old friends from all years at South. Dovetailing nicely onto plans to honour donations of a new gym floor and, for football, an electronic scoreboard plus new bleachers and grounds, the festivities have grown into a day full of nostalgic touchstones like:

sports, tailgate BBQ — cheer the “Garnet and Grey” versus Banting and Medway in basketball, football, and volleyball competitions – hourly from 10:00 to 2:00;

dedications — new gym floor and James Giffen Field – 11:45 & 12:45 respectively;

decade rooms — meet, even arrange reunions, in areas that each mark a decade;

dance — end the day with a DJ and music from all eras, 7:30 to 11:00 (not quite a dime a dance, but still, \$10 at the door isn't bad)!

All daytime events are free, with refreshments sold at the BBQ and dance. So join us for what we hope will become a yearly homecoming for this beloved London landmark – South.
